EDUCATION

Bachelors of Computer Application

KMEA college of arts and science

2019-2022

Mern stack Development

Brototype

2022-Present

PROFILE

As a self-taught web developer, I have successfully built and maintained web applications. With a focus on continuous learning, I have honed my skills and gained practical experience in various technologies. I am excited to bring my strong communication and teamwork abilities to a full-stack web developer role, where I can contribute effectively to a motivated team.
